

## Try Our New Virtual Visit Service

We will be offering virtual visits to all clients who have seen us at some point in the last 12 months. If we have not seen your pet within the last 12 months, please call us to schedule a curbside wellness visit!

-----  
Services we can offer your pet virtually:

- Wellness, nutritional, behavioral or general pet questions
- Pet guidance and advice
- Treatment recommendations for chronic or recurring issues (seasonal skin allergies, etc)
- Diabetic pet check-ins
- Surgical follow up
- Consults for various issues

-----  
New Consultations: \$60

General Inquiry: \$40

Follow-Up Visits: \$0

(for Previously Diagnosed Conditions or Surgical Follow-Ups)

\*Prices may vary depending on services provided\*

-----  
To start using our new virtual visit service:

1. Download the Virtuwoof app – Available in the Apple and Google Play stores
2. Click the “Sign Up” link to register an account
3. Once registered, you will receive an account activation email
4. Once activated, add your pets and create their profiles, and connect each pet with our clinic using the unique invite code: 918ZHFRY

**Pet Owner iOS App Store Link:** <https://apps.apple.com/us/app/virtuwoof/id1488928328?ls=1>

**Pet Owner Google Play Store Link:** <https://play.google.com/store/apps/details?id=com.virtuwoof.pet>

### How Does It Work?

- 1** Download the Virtuwoof app and create a Pet Owner profile 
- 2** Add Pet Profiles and connect to your vet by unique code or search function 
- 3** Initiate a visit with your vet by chatting, uploading photos or video to the platform 
- 4** After visit is complete, a documented summary is emailed and saved in your profile for reference
